MEMORANDUM FOR RECORD

SUBJECT: TMP fuel access hours.

1. In order to better manage resources and establish consistent availability to all users the LRC Carlisle TMP is establishing set time frames customers can access or obtain fuel from the TMP motor pool.
2. Fuel operation hours are from 0730 to 1130 and 1330 to 1530 each regular duty day. Any requirement to draw fuel outside the established hours will require the coordination through the LRC director, Chimes Program Manager or the TMP Maintenance Administrator.
3. Point of contact is the undersigned at (717) 245-3997, timothy.a.weaver4.civ@mail.mil.
