MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Environmental Management and Sustainability Policy

1. REFERENCES.

- a. Executive Order 13423, "Strengthening Federal Environmental, Energy, and Transportation Management," 26 January 2007.
- b. The Army Strategy for the Environment "Sustain the Mission, Secure the Future," 1 October 2004.
- c. Army Regulation 200-1, 13 December 2007.
- d. International Standard ISO 14001:2004.

2. PURPOSE. Carlisle Barracks' environmental policy is to actively promote mission readiness by continually improving environmental performance and to develop a fully sustainable operation that balances consumption and renewal of natural resources so that the long history of the U.S. Army at Carlisle Barracks extends indefinitely to future generations. This policy supports Carlisle Barracks long-established commitment to:

- a. Comply with all applicable laws, regulations, policies, directives and other requirements relating to environmental management and sustainability.
- b. Continuously improve processes affecting pollution prevention and sustainability.

3. EXECUTION OF THIS POLICY, WE WILL:

- a. Recognize environmental management and sustainability are the responsibility of everyone at Carlisle Barracks – tenant agencies, partners, Soldiers, contractors, civilians, students, residents, and visitors.
- b. Work cooperatively with communities and agencies within and outside Carlisle Barracks to achieve environmental management and sustainability goals and objectives.
